

Monday 17 February 2020

Letter of Invitation to Leadership Conference 2020

To Whom It May Concern:

Good Shepherd Baptist Church would like to extend an invitation to the holder of this letter to attend Leadership Conference 2020. This conference is a meeting of Christian men and women from many parts of the globe. The conference will be held from Monday 25 May to Thursday 28 May 2020 on our church property in Albany Creek, Brisbane, Australia. More information is available from our weblink – <https://www.baptist.com.au/conference>.

This year, Good Shepherd Baptist Church will be hosting this conference for the 22nd year, and since our first conference, every overseas delegate has complied with the requirements of their Australian visa. Delegates are pastors, and men and women in their local church who will return to their responsibilities in their country at the conclusion of the conference. Some delegates may choose to arrive before the conference or stay on after to explore our beautiful country.

Each delegate is responsible for providing their own flights/passage, accommodation, transport, and personal expenses while in Australia.

Good Shepherd Baptist Church asks for your assistance in granting this applicant a suitable visa to visit Australia.

If you require clarification of any of these details, please contact me on either +61 7 3264 3476 or email: conference@baptist.com.au. Thank you.

Yours sincerely,

Andrew Barns
